Find the right platform

Read the notice

The 14:40 service to Kenitra will leave from platform 4. The stairs near the cafe are closed. Use the lift beside the ticket counter or the footbridge near the main entrance.

Check a detail

Ask a partner to play the station attendant. Confirm the platform and ask for the route without stairs. Repeat the instructions to check your understanding.

Send a message

Write a short message to someone waiting beside the cafe. Include the departure time, the platform and the landmark they should look for.
